

STAMPEDE '60

The 1960

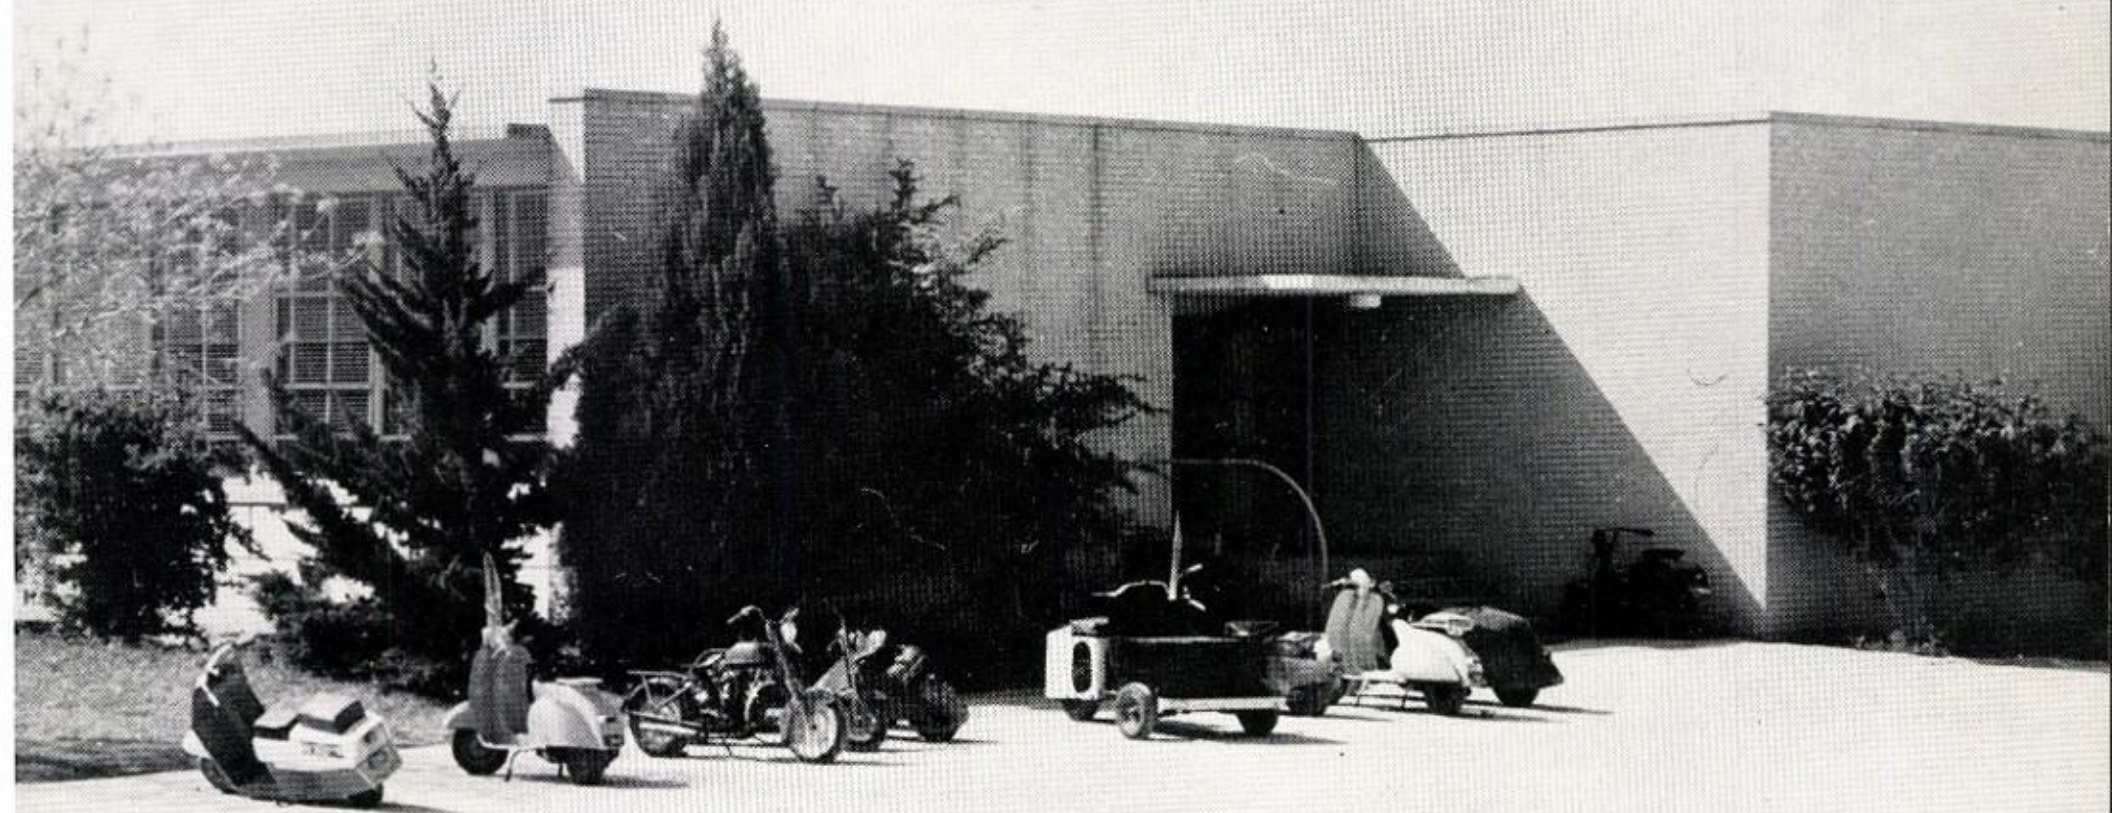

FOREWORD

With our school year coming to a close, we pause to look back upon the friends and happiness we have had. The joys, the sorrows, the fun and the hard work - all these are part of our memories of this past year. We have attempted to preserve the memories through word and picture for you. You, the students have made it; you, the students have lived it. So, here it is for you to enjoy - the 1960 Stampede.

SUPERINTENDENT'S MESSAGE:

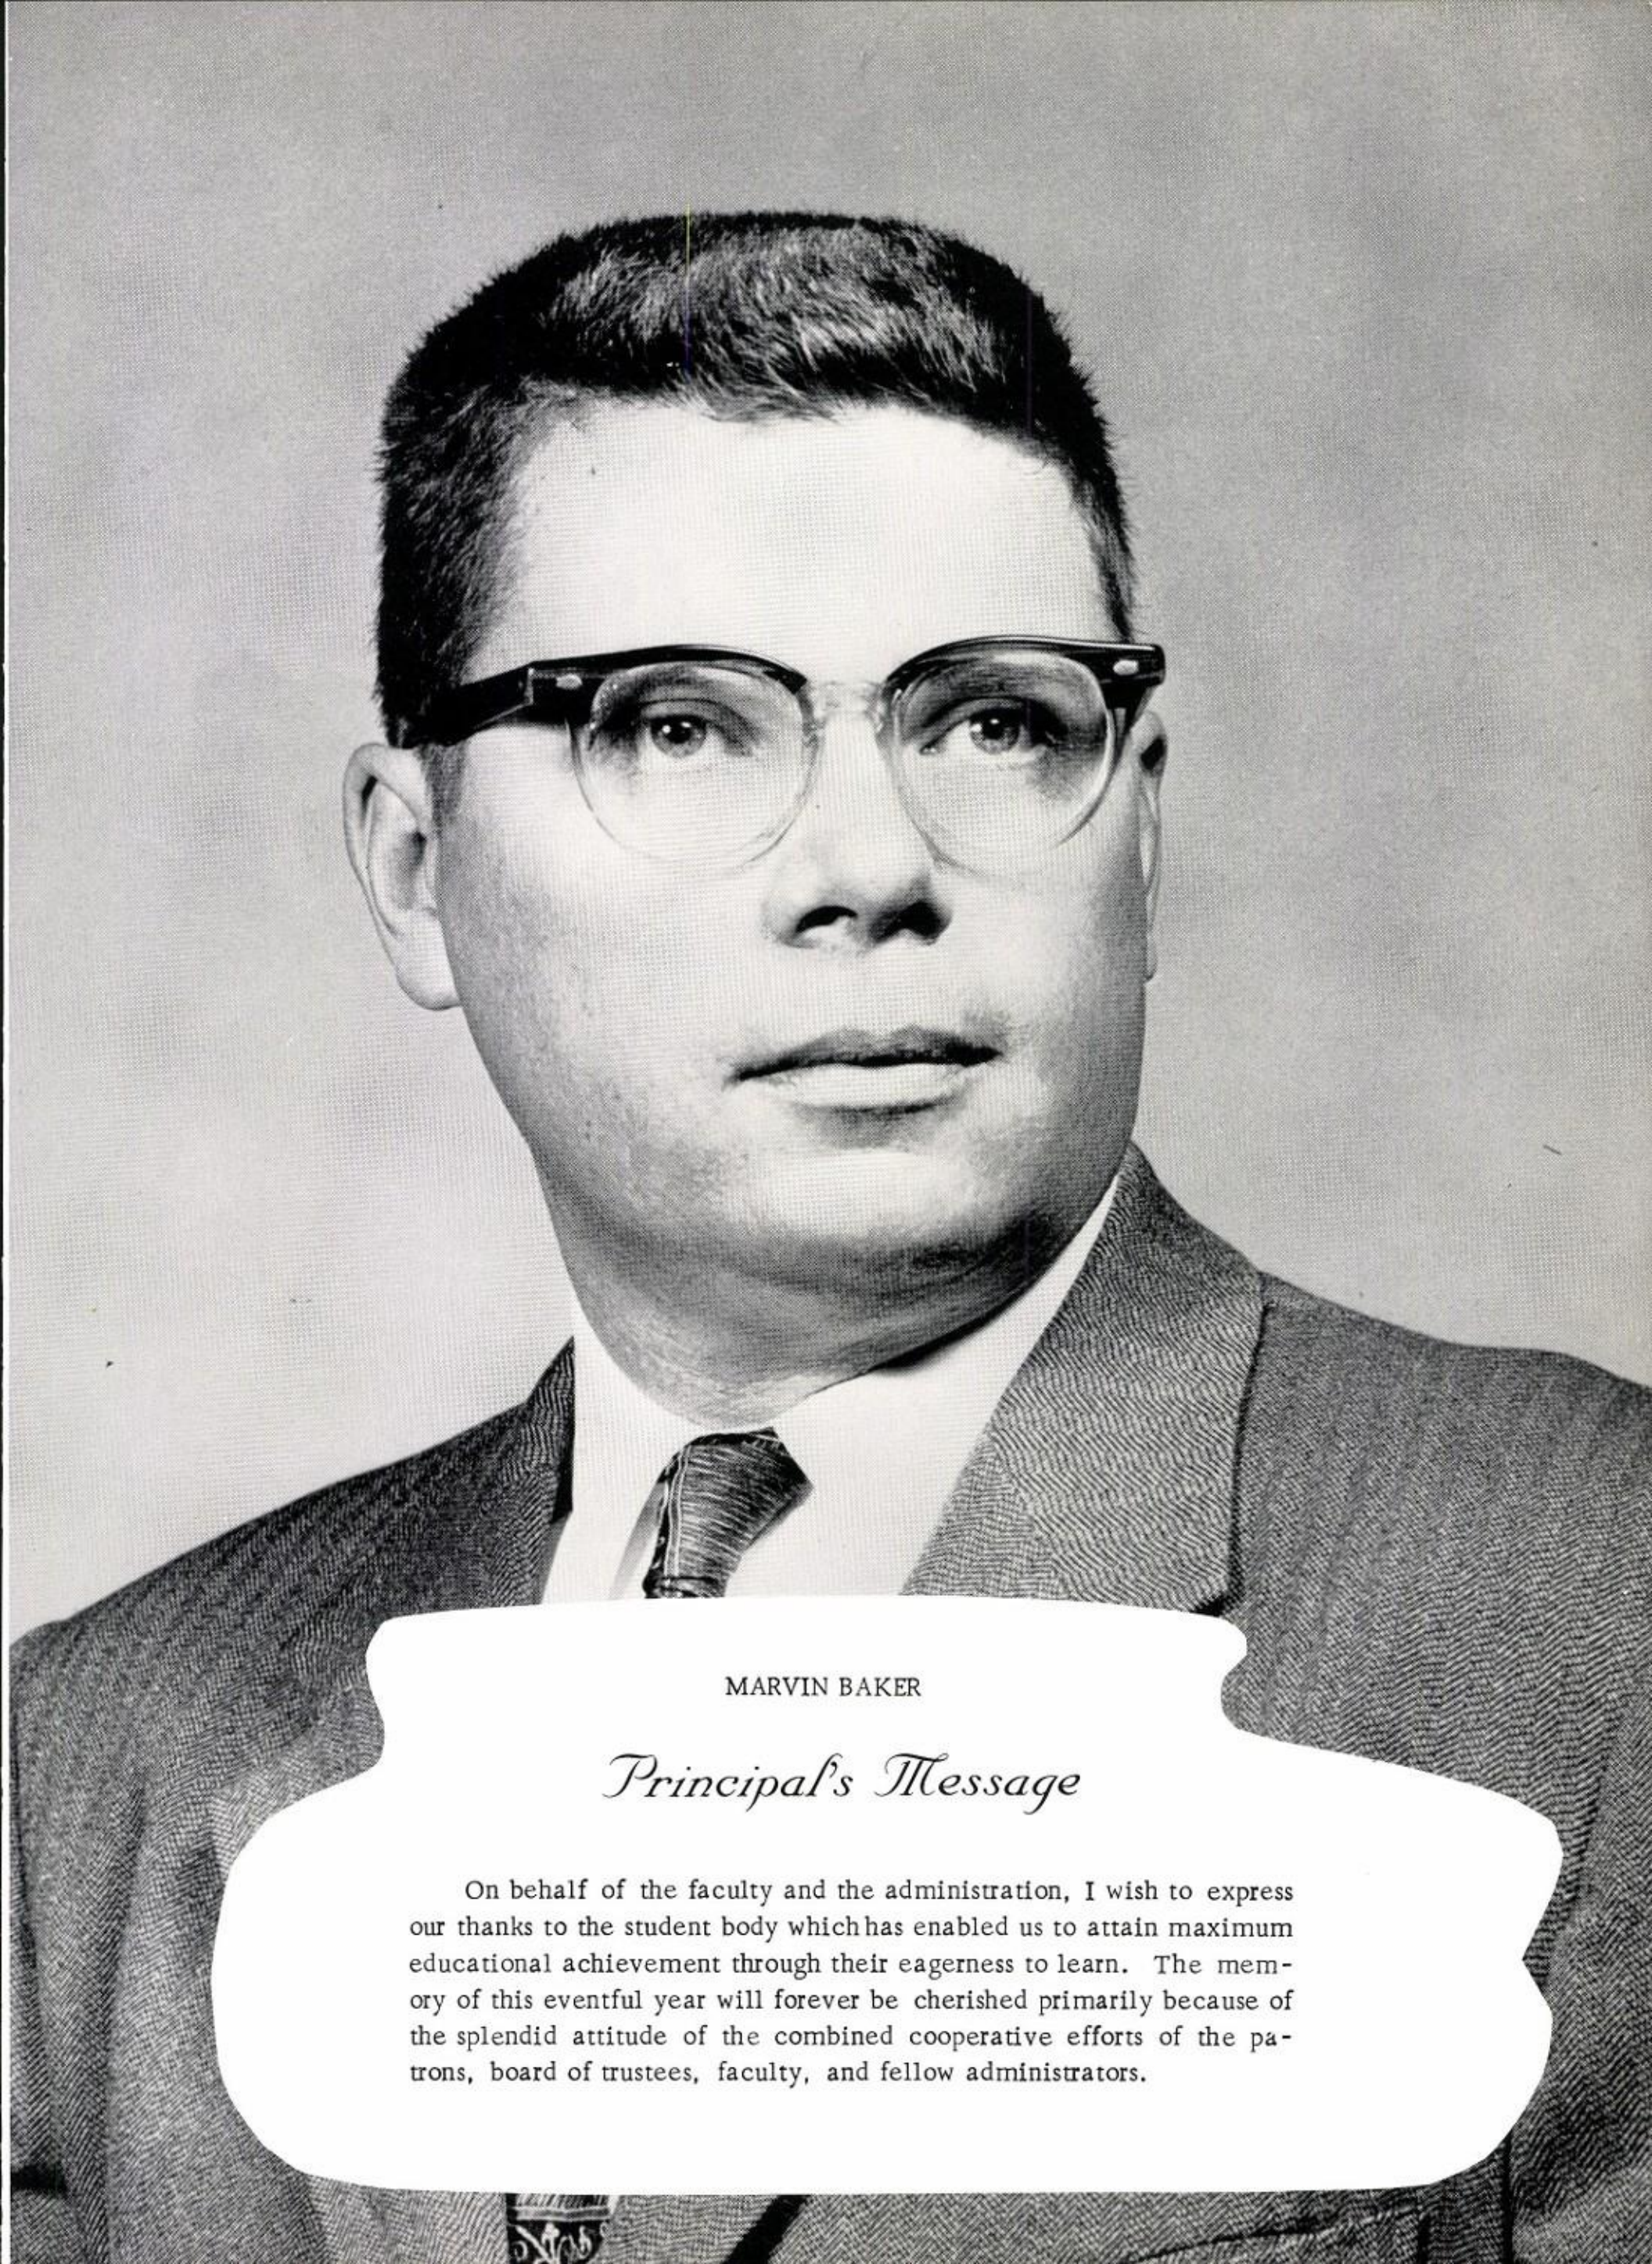

To the Students, Teachers and Patrons of the Schertz-Cibolo Schools whose efforts depict our school activities in a year of record enrollment and the advancement to a higher classification in the over-all school program. This challenge must be met by all residents of this district in making any plans for future years. In fact the students have not let overcrowded conditions, in this fast growing school, stand in their way for personal progress. This is a good indication for a happy solution to any problems which each might face in future years.

The "Stampede" this year, like those of the past portraying a cross-section of your school life and giving to each a record of this year's activities, is one that you will be proud to look back to for many years to come. School itself is not just an institution to keep you out of mischief and enforce discipline on you, but a place where you can prepare yourself to go out into the world and be able to compete with others for the enjoyment of life, liberty, and success in your endeavors. It is a pleasure to be able to work with you and strive to attain this goal.

Sincerely,

Garland Black

Principal's Message

On behalf of the faculty and the administration, I wish to express our thanks to the student body which has enabled us to attain maximum educational achievement through their eagerness to learn. The memory of this eventful year will forever be cherished primarily because of the splendid attitude of the combined cooperative efforts of the patrons, board of trustees, faculty, and fellow administrators.

In Memory of James Beck

the Seniors of 1960 dedicate this page. James was born September 30, 1943 and died July 19, 1959 at the age of 16. He began grade school on the base and entered Cibolo School in the fifth grade. He would have graduated as a Senior with our class. He is remembered and missed by his classmates as well as his many other friends.

VIOLA KATT, this year's Most Representative girl, has a wide variety of outside interests; yet, she keeps up her "A" average in school.

Most Representative Girl

Viola, better known as "Bootsy," has a friendly smile, beautiful eyes, and loves to dance.

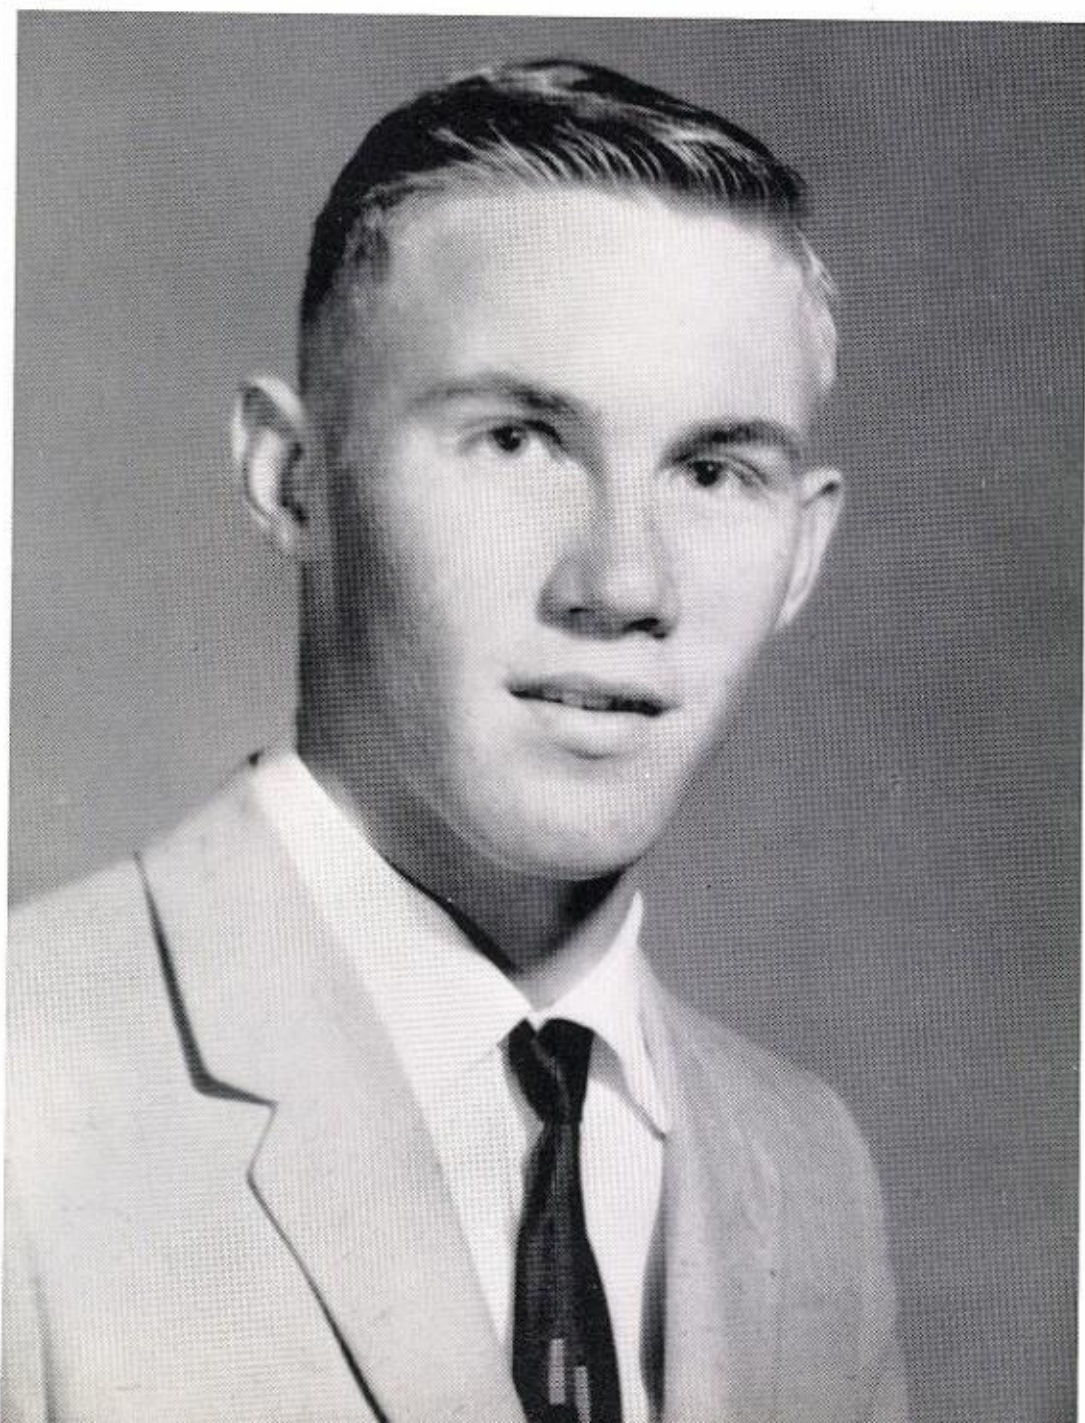

KENNY VOGES was chosen the Most Representative boy for his all-around ability in sports, his earnestness to do his best, and his warm personality.

Most Representative Boy

He is known as a shy person, and his main interests are Anita and athletics.

Junior High

Principal's Message

The past school year has been a successful one at the Schertz-Cibolo Junior High School.

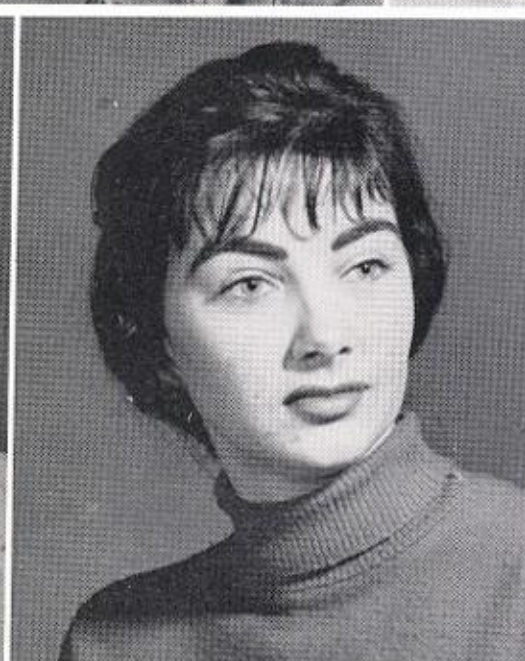

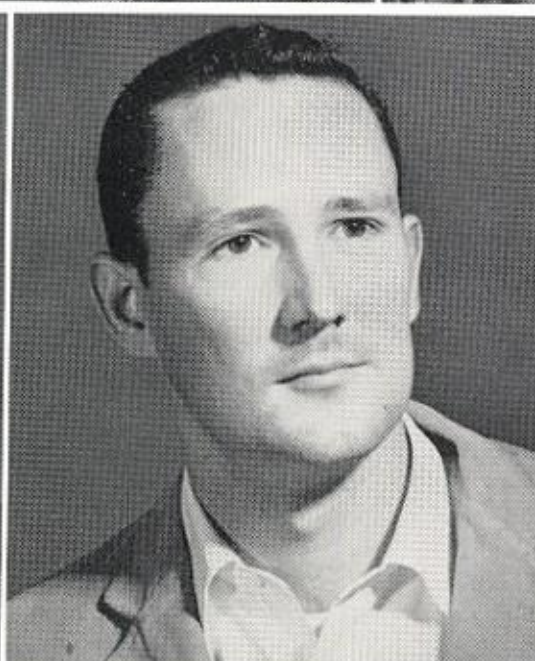

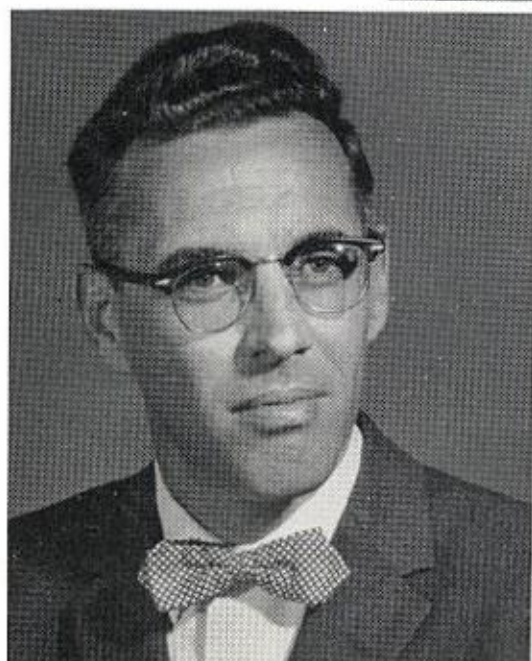

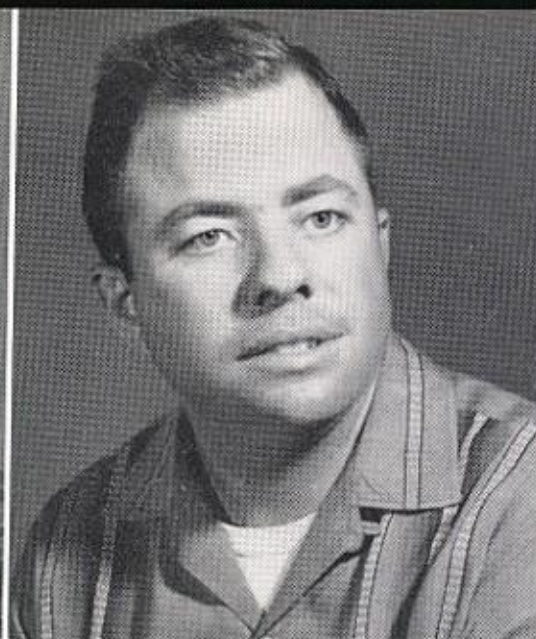

About seventy-five students entered our local contests leading up to the district literary meet. Nearly all of our students entering contests in the district literary meet won places and some won outstanding success. In sports our teams had a very successful season.

By comparing the scholastic standard of our students and those entering from other schools in our state and our nation, we notice our students compare favorably with those from other schools.

I wish to express my appreciation to our school board, our teachers, students, and parents for helping to have made the past year a successful one at our Junior High.

Principal's Message

Man was not made in a day. It took vast ages to bring his capacities of growth and learning to their present form. The growing child and youth reveal their individuality in the characteristicness of the manner in which they developed from stage to stage of maturity. It is through these stages which we are trying to guide the children of the Schertz-Cibolo Elementary School.

Since the building of the Schertz-Cibolo Elementary School, eight years ago, I feel that this year has been the most successful in all respects. I am grateful to all those persons who have shared with the faculty and myself in making this possible.

It was a great night in the life of these kindergarten pupils. To them it was the end of a year and tomorrow they would be considered ready for the first grade. Here they present a skit for their parents and friends.

Here we come. Are the diplomas ready?

The diplomas are presented to the pupils by the Principal of the Elementary School, Ray Woolbright. Thank you, sir, like to shake my hand?

It is over, we have our diplomas and we are ready to chat awhile with our friends and parents. We enjoyed the year and will look forward to next year.
